PETITIONER'S COMMENTS

Please accept these comments as restated below from
Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public
interest would be served by allocating Channel 259A to
Cuney, Texas as that community's first local FM service.
Cuney, Texas is an incorporated city with a population of
145 people and 8 businesses that have been given a credit
rating by Dun & Bradstreet as of the last quarter of 2000.¹
Cuney has its own mayor, Ethylene King, its own post
office, police department, city offices and several local
churches. Cuney is a community that is certainly deserving
of local FM service. The proposed channel 259A will

provide additional diversity and an outlet for local self-expression to Cuney residents and therefore is in the public interest.

Should this petition be granted and Channel 259A is allotted to Cuney, Texas, Petitioner will apply for Channel 259A at Cuney and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
